

Union Gospel Mission has responded to the incredible need of addicted women and their children. We know that Jesus Christ is the answer for them, as He is for all of us. But our desire to help has produced a huge need for resources in people and facilities. Ten staff and many volunteers are needed to provide 24 hour supervision. **In fact, we have in faith added half a million dollars to our annual budget!**

We know that we cannot do this without God's provision, and we also know this provision comes mainly through His people. We need you, our brothers and sisters, more than ever for this first year of operation. Would you also step out in faith with us, and make a one year pledge for monthly donations? We are arranging a special tour of the Women's Addiction Centre for all our partners.

Thank you, and God Bless you!  
You missionaries at Union Gospel Mission.

---

As God enables me, I pledge to help UGM provide hope in Jesus Christ to addicted women and their children.  
God willing, I will send \$ \_\_\_\_\_ a month for one year.
